## Second Helpings Stamford Expenses Policy

### Aims of the Policy

To ensure that volunteers do not inadvertently incur expenses which we cannot justify or reimburse given our need at all times to ensure that our expenditure is relevant to our charitable objectives and can be fully justified and kept to a minimum.

We greatly appreciate that most volunteers not only provide their time free, but also choose to meet incidental expenses from within their own resources, i.e., at no charge to Second Helpings. This helps deliver our aim to feed bellies not bins at the lowest costs possible. However, we recognise not everyone is in a position to do this and we always want to attract as wide a diversity of volunteers as we can.

### Process

All volunteers should make sure approval is given by their Team Lead or Management committee member as appropriate to the person's position before incurring expenses. Written approval should be in place, an email will be sufficient.

Any claim for expenses should be made by completing the Volunteer Expenses Claim Form copy attached. It should be authorised by the individual's lead from the Management Team with subsequent approval by Chair or Treasurer, if expenses are for anyone on the Management Team then approval should be by Chair/ Treasurer. Any expenses for Chair/ Treasurer should be approved by two other Committee members.

Only expenses submitted on the relevant form and correctly authorised will be reimbursed. Details should be given of the spend and accompanied by invoices or VAT receipts if available. All claims should be signed by the Volunteer and the authorisers. If this is not possible i.e., the volunteer submits their claim via email, or authorisation is via email then emails should be attached to confirm the claim and authorisations. Payments will be made by Bank Transfer.

All claims should be made within 30 days of expenses being incurred. Only actual costs incurred can be reimbursed, expenses do not represent a reward or compensation for loss of time. Second Helpings can accept no liability for expenses that result from activities not agreed beforehand with a member of the committee. Any expense claims in excess of £100 should be highlighted in Management committee meetings. Any amounts over £200 should be approved in Management Committee meetings or by email if the next meeting is not at a suitable time.

Types of expenses that may be claimed (not limited to these but any others should be agreed by Board ahead of any approval to spend)

**All volunteers should check that they are covered by their insurers for any travel they do for Second Helpings.**

#### Other Types of Expenditure

There will be other costs that cannot be avoided when meeting our objectives on using Waste Food, but we should ensure these are kept to a minimum and where needed we make sure we are practising good cost control as well as considering any other impact is consistent with our Charity Constitution.

When looking at supplies we should obtain at least 2 but preferably 3 quotations balancing quality/costs and ensuring they are competitive. Proposed spend over £200 should be

06 November 2023

approved prior to arranging with suppliers by agreement of the Management committee in their regular meetings or by email if this is not possible. Any application for approval should be accompanied by justification of spend highlighting how this will benefit the charity and any alternative options considered. A majority of committee members approving will be sufficient.

Other expenditure incurred to enable the charity to operate should ideally not be paid for by individual volunteers, but orders placed with suppliers in the name of Second Helpings with payments being made by the Treasurer from the SH bank account with appropriate authorisation by 2 members of the management committee. Care should be taken to ensure approval in place prior to placing any orders.

Any planned expenditure over **£200** will require a Board Minute of approval before any orders placed and note to the Board should include 3 quotations with reasons given for chosen supplier as well as detailed justification for the spend and benefits to the charity as well as any alternative options considered.

#### **Expenses that will not be reimbursed**

**Speeding Fines**

**Parking Fines or tickets**

**Any Tax or Insurance charges arising from any expenses claimed**

#### **Expenses Waived**

**Whilst recognised we do not intend to record these currently. This will be reviewed on an annual basis to see whether any changes in the charity would make this beneficial**

#### **Gifts Policy**

**Any gifts with exception of Financial Donations can be kept by the recipient.**

**Any financial gifts should be passed to the Treasurer to be banked into Second Helpings bank account as a donation**

#### **Review of Policy**

**This policy should be reviewed annually and agreed at AGM**
